## MANDATE OF THE FORUM

The objectives for which this Forum is established are:

- To lobby leaders to support policies which promote morality and ethics as well as a common national agenda.
- To advocate for the advancement of national moral and ethical values with the aim to anchor Uganda on a pedestal of unity, stability, freedom, security and prosperity.
- To organise annual national conference for the engagement with the actors such as government, media and religious institutions with a view to promote and popularise national values.
- To advocate and champion relevant legislation and undertake an oversight role for the enhancement of moral values in Uganda.
- To work with various stakeholders with a view to a proper diagnosis and solutions against the ongoing moral decay.

## CALL TO MPS

The 10<sup>th</sup> Parliament made some progress towards advancing the national moral and ethical agenda.

The 11<sup>th</sup> Parliament is yet another opportunity to push the agenda forward.

The Parliamentary Forum on Ethics and Integrity is convinced that the 11<sup>th</sup> Parliament is going to continue the national moral and ethical agenda. You are, therefore, requested to support this great initiative first of all by registering as a member of the Forum.
